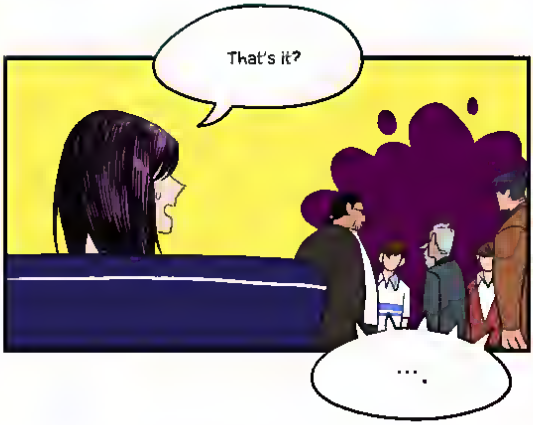
Celebration for
CLG's new member!

CHEERS!!!
boom

Excuse me... but he hasn't contact us to join yet...
No! I knew when I saw his eyes! In those honest and twinkling eyes held a strong desire to join CLG!
Should we think of a nickname in advance?
Oh! That's a good idea!
Excuse me ..

He is someone we just met today... Do you guys even know who he even is, to be accepting him like this?
sudden realisation
Ah ah ah....

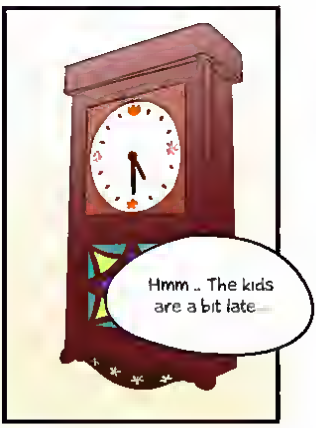
He is a guy who may look scary at first due to his big and fit body...
but in reality is innocent and shy with a passionate heart...
which loves cute things very much?



That's it?
....

It's not a big deal! It's anything we can ask when he re-turns!
large
hearted
What can go wrong?

We should make a list of nicknames!
I agree! Agreed!



Hmm .. The kids are a bit late...

MISTER TEDDY

AGI

Hyungnim, we prepared a document containing the quarterly budget distribution and the present conditions of the business.

I can do the budget distribution myself but there were so many clashes in the last quarter, so I believe we need Hyungnim's advice on the matter concerning the performance-related pays for the underlings.

And in terms of business it is preceding consistently without much trouble being disguised as a private corporation, as well as a security company, had proved very effective

In addition, due to your hard work we were able to absorb most of the small gangs who were left in this area, and the frequency of Tiger gang's appearance has evidently decreased

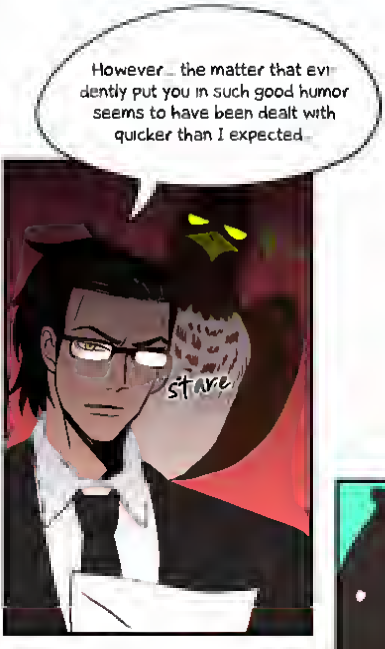
So since the Tiger gang side has relatively weakened I think you do not need to... worry... about... them...

You seem happy.
Jolt

WH... WHAT DO YOU MEAN HAPPY?
We can see from your expression.

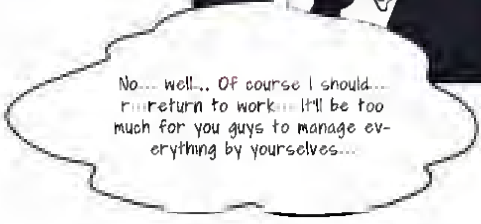
You've been smiling ever since you came back from your private matter.

Since you left so determinedly this morning, we thought you wouldn't return today
Well... well... I did...



However... the matter that evidently put you in such good humor seems to have been dealt with quicker than I expected.
stare

sweat
sweat



No... well... Of course I should... return to work... It'll be too much for you guys to manage everything by yourselves...

Hyungnim you were concerned about the organisation's work this much... We will also work hard so then please settle the paper-work that's been put off for a long time.
Tears
Thud
You are heart-less...

So...you said Tiger gang is very quiet these days?
draw
scribble
Yes, very quiet.

Ever since Hyungnim smashed the Tiger gang with your bare fist
They seem to stay off from our territory and loiter around the other areas
grit
I don't know if it's because of that but

The other branchs are starting to pressure us into expanding our influence into other businesses as well. Of course the higher-ups aren't saying anything official yet...
But the other Hyungnims don't seem to like our policy...
stop-

SFX. BANG

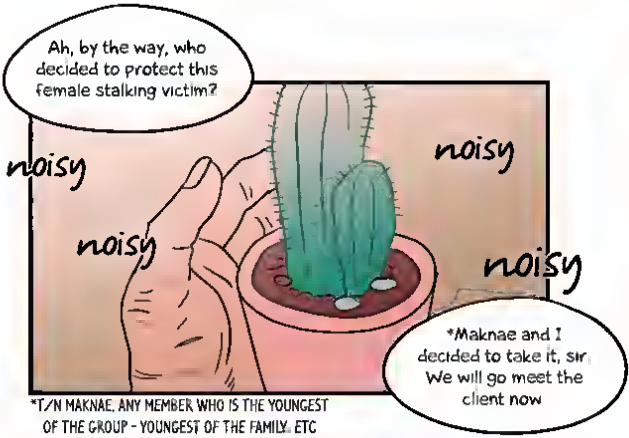
That's ridiculous... They have their way and we have ours
Our main job is to prevent other organizations from taking over this area

Don't listen to what the branch leaders are saying, I am the person in charge here.

raise
We... just have to continue doing what we've always done...

I WILL TAKE ALL THE RESPONSIBILITY.
Koo-
Goong

Yes Hyungnim!
Hyungnim is talking a lot more than usual.
He really is in a good mood today.



Ah, by the way, who decided to protect this female stalking victim?
noisy

HYUNGNIM! SOMETHING TERRIBLE HAP-PENED! I'VE BEEN INFORMED THAT THE TIGER GANG HAS TRESPASSED OUR AREA.

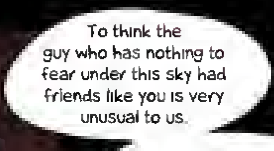
MOREOVER, APPARENTLY THERE'S QUITE A LOT OF THEM. BUT WHAT'S WORSE IS THAT...

THEY'RE THREATENING US USING SOME YOUNG KIDS!
!!!!!

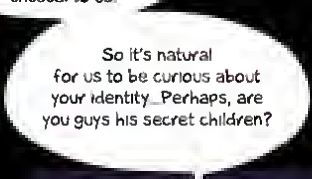
Why are you
asking that?

Oh. We just asked coz we were curious...
Kingooo
Aren't you acting too sensitively?
gooo
How dare you raise your eyes and shout at us
What is your relationship with that Ahjussi that makes you asked that?

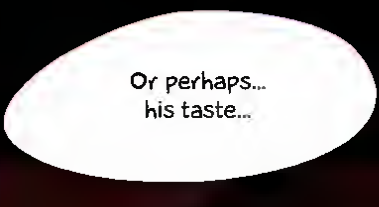
...The man who just passed and we have a very close relationship, y'see.



To think the guy who has nothing to fear under this sky had friends like you is very unusual to us.



So it's natural for us to be curious about your identity...Perhaps, are you guys his secret children?



Or perhaps... his taste...

WHAT? WHAT TRASH ARE YOU TALKI...
끼아악
SFX. SQUEEZE
Are you friends with Ahjussi?
If you say that you have a close relationship with Ahjussi, then you must be a very close friends?
HEY YOU!
open
Close relationship... Yes, that's right.

step
Yes he and I are great friends..
So close that we strike our fists like it's nothing

Doo-dooong

I am a very close friend to Bae HyunWoong, but you guys seem to be friends with that bastard as well. We'd like you to tell us what you are to him.
If you're close friends, it's understandable that you are curious.
HyunWoong Ahjussi is my saviour. I was almost run over by a car last time and he saved me.
뿌드득
SFX. GRIT

He is a brave person who is heroic enough to save my dolls as well

He's kind and friendly so he became friends with us too.

If you're friends with HyunWoong Ahjussi you must know that fact more than us? That he's reliable and kind like a brave hero!

WHAT THE F* ARE YOU BLAB-BERING ABOUT!!
THAT BASTARD. A HERO? YOU'RE ALTO-GETHER WRONG. THAT GUY IS A VILLAIN PRETENDING TO BE A HERO!
SFX. SHOUT!

THAT PETTY GANG IS RIDICULOUSLY ACTING AS IF THEY'RE A CIVIL MILITIA AND THEY CAN'T EVEN DISTINGUISH WHAT HE IS. HE'S WHAT? KIND AND FRIENDLY? RELIABLE? HOW LAUGHABLE!
I THINK YOU'RE EXTREMELY MISTAKEN! THE GANG THAT IS DOMINATING THIS AREA, URUSA'S COMMANDER BLACK BEAR THAT'S WHAT HE IS!
Even if he giggled and chatted with you, his nature does not change!
Wake up and return from your fantasy world!

HYUNGNIM! PLEASE CALM DOWN IT'S BAD FOR YOUR HEALTH!
HYUNGNIM. WE THINK IT'S BETTER IF YOU RETURN NOW.
Pant
Pant
Pant
Yes we should return.
But before that shouldn't we extract more information about that bastard from these kids.
close in

Hey. We should move to our hideout. We will talk further there

If you guys cooperate quietly we will send you home quickly

YOU BASTARDS. HOW DARE YOU TRY TO CHALLENGE US?
punch

AND TO ATTACK YOUNG STUDENTS AS WELL?
...Oh my god.
Ahjussi?
shake
shake

Take care of the rem-
nants yourselves.
And release
the others after you
punish them appropri-
ately.

By the way what relation-
ship does Hyungnim have
with those kids?

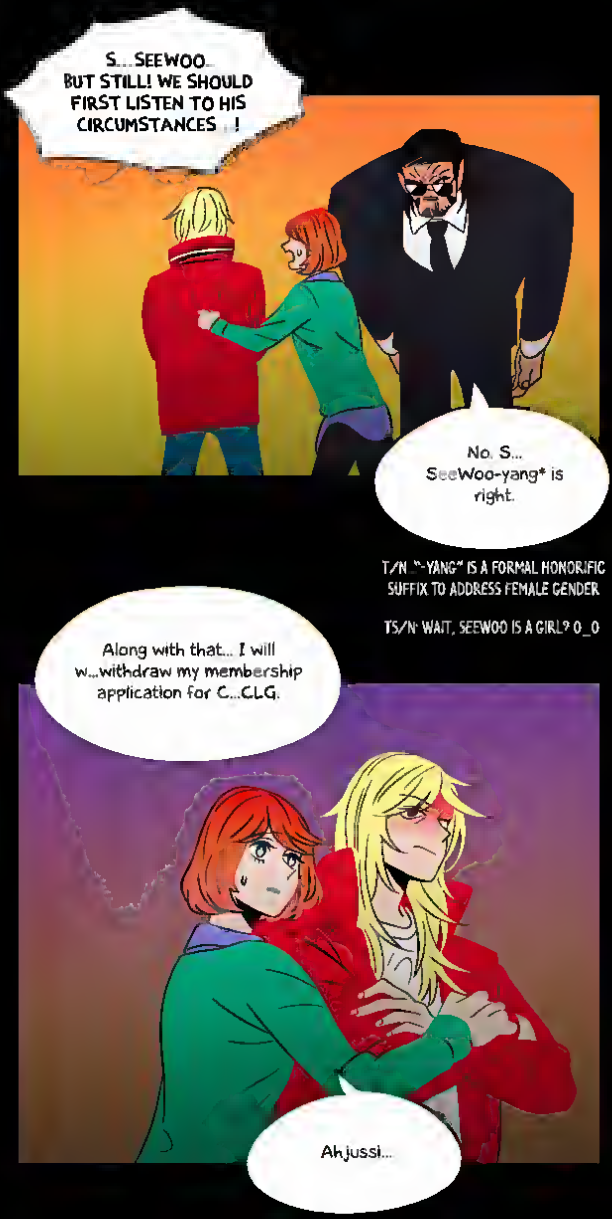
For him
to be so nervous
like that.

I'm...I'm sincerely sorry to...
involve you into this.

...Ahjussi

Ha! I continuously doubted myself but... to be a real gangster... my intuition was correct after all.

...I hope we never cross each other's paths again.



S...SEEWOO...
BUT STILL! WE SHOULD FIRST LISTEN TO HIS CIRCUMSTANCES...!
No. S... SeeWoo-yang* is right.
T/N: "-YANG" IS A FORMAL HONORIFIC SUFFIX TO ADDRESS FEMALE GENDER
TS/N: WAIT, SEEWOO IS A GIRL? O_O
Along with that... I will w...withdraw my membership application for C...C.L.G.
Ahjussi...

As you can clearly see...
